**REQUEST FOR COMPLETE OFFICE ACTION AND REQUEST TO RESET TIME  
PERIOD TO RESPOND TO OFFICE ACTION**

Sir:

Applicant respectfully request that the Patent Office send a complete Office Action to the Applicant and reset the time period for responding to the outstanding Final Office Action in the above-identified application.

On May 25, 2006, the Patent Office mailed an incomplete Final Office Action. This Office Action was received by Applicant's representatives on June 1, 2006. The Office Action is incomplete because throughout the rejections, the Examiner refers to annotations on a copy of U.S. Patent No. 4,337,759 (Popovich et al.). However, this annotated copy was not provided with the Office Action, making the Office Action incomplete. It is difficult to fully understand and appreciate the Examiner's rejections without having this annotated copy of the patent.

On June 6, 2006, Applicant's representative, Lawrence M. Green, contacted the Examiner to alert the Patent Office to the incomplete Office Action. However, Applicant's representatives did not receive any annotated copies of the patent.

On July 12, 2006, Applicant's representative, Shannon Pratt, again telephoned the Examiner, but the Examiner's voicemail indicated that the Examiner would be out of the office until the end of the month.

Thereafter, Applicant's representatives contacted the Examiner's supervisor, Carl Friedman, and he suggested that Applicant submit this Request for a Complete Office Action and also request that the time period for responding to the Office Action be reset upon the mailing of the complete Action.

Respectfully submitted,

By:
